The Company has collected a remarkable total of 34244289.17 liters of raw milk during the year with an average of 93563.63 liters per day. By the end of the fiscal year, the Company had 24302 members who trusted the Company's operations consistently. This positive sign indicates the start of an amazing growth journey for the Company, with the potential of achieving higher goals in the future, with the cooperation and support of active members.

The Company gave additional purchase price of Rs. 11,590,769/-.to the 5225 members who fulfilled their commitments and contributed regularly to the Business, to acknowledge their hard work.

In terms of milk procurement prices, the Company remains committed to offering competitive and remunerative rates to its members for the milk supply.

The Company strives to increase productivity by improving its processes and cutting costs. Some of the measures it takes include optimizing logistics, ensuring quality, and supervising effectively.

# **QUALITY ASSURANCE**

Milk is a staple food item for many people worldwide, and its quality is crucial for both production and processing, affecting taste and nutrition. Various factors can influence the presence of microorganisms in milk, making it essential to promptly check raw milk quality by examining its components like fat and protein and its hygiene factors such as bacteria, cells, drugs, and water.

To address these factors, we prioritize quality at every step. Our Milk Chilling Centers (MCCs) are equipped with advanced milk testing facilities, including digital electronic balances, water baths, vortex shakers, ovens, BR meters, and refrigerators. We also train milk producers at the village level to ensure clean milk production. Standard Operating Procedures (SOPs) are in place for collecting and dispatching milk from farmers to Milk Processing Plants (MPPs) and then to Bulk Milk Chilling Centres (BMCs)/MCCs. Additionally, we train Sahayak's and field staff to procure high-quality milk.

At the MCC level, milk undergoes 32 quality checks and adheres to stringent hygiene protocols, ensuring high-quality milk. We are committed to continuously improving raw milk quality by enhancing MBRT, aiming to deliver the best quality finished products to consumers.

Key achievements:

Reached an MBRT of over 100 minutes.

- Implemented a quality improvement program to promote awareness of clean milk production and boost MBRT.
- Delivered FoSTaC training for quality and field staff to maintain high Milk hygiene and safety standards within the organization.

Necessary regulations like FSSAI licenses, Weight and Metrological stamping etc. are strictly complied with and adhered to.

### PRODUCTIVITY ENHANCEMENT SERVICES

The Company started Productivity Enhancement Services (PES) for Dairy animals in the last financial year 2022-2023. These include identifying and training of MAIT's, providing doorstep Artificial Insemination services, pregnancy diagnosis, balanced Cattle feed & Poorvanchal Specific Chelated Mineral Mixture, screening for Mastitis and organizing infertility & health management Camps & dairy management training. The same activities were continued in the last financial year 2023-24 also.

# **Cattle Feed**

As part of its commitment to supporting and empowering its producer members, the company extends the essential service of providing high-quality cattle feed. This initiative is designed to enhance the well-being and productivity of the livestock owned by the members, leading to improved milk production, and enhanced income thereby overall socio-economic development.

The Company is providing "Urea Free" Balanced Compound Cattle feed (BIS Type II) under the brand name "Har Ghar Kashee". During the financial year 2023-24 the company has been provided about 3192.8 MT cattle feed to its producer members.

### Mineral Mixture

Minerals play a crucial role in various physiological functions, including bone strength, immune system support, and reproductive health. The mineral mixtures provided by the company are formulated to address the specific mineral deficiencies commonly found in the region. This tailored approach ensures that the livestock receives the essential minerals required for optimal health and performance.

The Company is providing scientifically formulated Poorvanchal Specific Chelated Mineral Mixture under the brand name "Har Ghar Kashee" at very competitive price to its member producers. During the financial year 2023-24 the company provided about 21796 Kg mineral mixture to its producer members.

Through this initiative, members gain access to improved fodder varieties and sustainable farming practices, enhancing the health and productivity of their livestock. A total 25 MT improved varieties of Fodder Seed Distributed to Milk Producer Member during the FY 2023-24. A new variety of Rye Grass (Makkhan Grass) Seed Total Quantity 5.2 quintals, distributed to member given encouraging response & new variety of Summer Fodder Seed like Jumbo Super, Mega sweet & Nutri Feed also introduced to milk Producer Member.

### **Doorstep Artificial Insemination Services**

Artificial Insemination is a modern and scientifically proven technique that involves the introduction of carefully selected semen into female livestock, ensuring controlled and improved breeding outcomes. By utilizing AI services, members can improve the productivity and

performance of their livestock, leading to increased milk production in dairy animals and better growth rates in other livestock.

The company's trained Mobile Artificial Insemination Technicians (MAITs) offer the required guidance and support throughout the AI process, ensuring optimal results and the well-being of the animals.

AI is part of the company's commitment to sustainable livestock development. By promoting improved breeding practices, the initiative contributes to the overall growth and sustainability of the agricultural community.

In the financial year 2023-24, the company made significant strides in improving livestock breeding and health through various initiatives:

- **Artificial Insemination:** A total of 13785 artificial inseminations were performed with high genetic merit semen doses. This advanced breeding technique allowed members to access superior genetics, resulting in improved livestock productivity.
- **Training:** The company trained 70 Mobile Artificial Insemination Technicians (MAITs) to enhance the delivery of artificial insemination services. These technicians played a vital role in providing expert assistance to members during the breeding process.
- **Animal Health & Infertility Management Camps:** The company organized 166 animal health and infertility management camps, where a total of 1290 animals received essential healthcare services. These camps aimed to improve the overall health and reproductive well-being of the livestock.

# **Preventive Animal Health Initiatives**

- **Mastitis Prevention:** For early detection of Mastitis, an important disease that causes huge production and economic losses to producers, a simple and affordable animal-side diagnostic test, California Mastitis Test (CMT) has been applied. This test is very useful in diagnosing subclinical mastitis, where symptoms are not generally visible but causes economic losses. Awareness is also being disseminated among dairy farmers in the milk shed area.

The Company acknowledges the transformative impact of IT and has effectively incorporated it across all departments. IT supports various departments to optimize operations and improve overall efficiency. Recognizing data as a valuable asset, the Company leverages IT for data

collection, analysis, and visualization, providing decision-makers with accurate and timely information for informed decision-making.

While utilizing IT to handle sensitive data, the Company prioritizes cybersecurity and data privacy. Robust security measures are implemented to protect against cyber threats and uphold the trust of customers and stakeholders.

# Membership E- Registration:

The Member E-Registration component streamlines the process of enrolling and managing farmers as members of a cooperative or producer group. This system facilitates easier access to cooperative services, financial assistance, and training programs, thereby improving financial inclusion and livelihood opportunities. It fosters community membership and collaboration, which are crucial for collective purchasing and marketing initiatives. For the company, this component provides valuable data insights, strengthens member relationships through personalized services, and reduces paperwork by digitizing data flow, leading to more efficient operations.

## **Updated Version of Kashee E-Dairy Application:**

Since launching the Kashee E-Dairy application in FY 2022-23, we are committed to continually updating this digital platform to keep it innovative. The app provides farmers with detailed access to dairy-related data, including daily milk pouring records, payment information, and personal profile details, enhancing transparency and streamlining record-keeping.

# HRMS Application (In-House Development):

The in-house HRMS application developed by Kashee Milk Producer Company Limited offers centralized data management for all employee information, streamlining HR processes and enhancing operational efficiency. It minimizes errors in data entry, improves accessibility for both employees and HR staff, and enables advanced reporting and analytics. The system ensures regulatory compliance and features an employee self-service portal for managing personal information and requests. Additional benefits include performance management tools, payroll integration for accuracy, and streamlined recruitment and onboarding processes, contributing to overall operational excellence.

# ENERGY CONSERVATION, RESEARCH AND DEVELOPMENT, TECHNOLOGY ABSORPTION & FOREIGN EXCHANGE EARNINGS AND OUTGO

### **Independent Auditors' Report**

# To the Members of Kashee Milk Producer Company Limited

# Report on the Financial Statements

### **Opinion**

We have audited the accompanying financial statements of Kashee Milk Producer Company Limited ("The company"), which comprise the Balance Sheet as at March 31, 2024 the Statement of Profit and Loss and the Cash Flow Statement along with notes to the Financial Statements and a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under section 133 of the Act read with the Companies (Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, its profit, and its cash flows for the year ended on that date.

# **Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those SAs are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Financial Statements.

# Information other than the financial statements and auditors' report thereon.

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Business Responsibility Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material

misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

# Responsibilities of the Management and those charged with governance for the Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors is also responsible for overseeing the Company's financial reporting process.

# **Auditors' Responsibility**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system with respect to financial statements in place and the operating effectiveness of such controls

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management and Board of Directors.
- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting in preparation of financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

# Report on Other Legal and Regulatory Requirements as required by section 143(3) of the Act, we report that:

- 1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

- xx) In our opinion and according to the information and explanations given to us, the provisions of Section 135 of the Companies Act, 2013 are not applicable to the Company. Accordingly, clauses 3(xx)(a) and 3(xx)(b) of the Order are not applicable.
- xxi) The reporting under clause 3(xxi) of the Order is not applicable in respect of the audit of standalone financial statements. Accordingly, no comment in respect of the said clause has been included in this report.

# Annexure B to the Independent Auditor's Report.

Independent Auditor's report on the Internal Financial Controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

(Referred to paragraph 2(A)(f) under 'Report on Other Legal and Regulatory requirement Section of our report of even date)

We have audited the internal financial controls with reference to financial statements of **East Delhi Waste Processing Company Limited** ("the Company") as of 31 March 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

# Management's and Board of Directors' responsibilities for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on internal financial control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of internal financial controls over financial reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("the ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of Company's business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

## **Auditors' Responsibility**

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the standards on auditing prescribed under Section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those standards and the guidance note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement in the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial control system with reference to financial statements.

# Meaning of internal financial controls with reference to financial statements.

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting with reference to financial statements includes those policies and procedures that (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of the financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (iii) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

## Limitations of internal financial controls with reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management of override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Company has, in all material respects, adequate internal financial controls with respect to financial statements and such controls were operating effectively as at 31 March, 2024, based on the internal control, with respect to financial statements, criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

# KASHEE MILK PRODUCER COMPANY LIMITED

# NOTES FORMING PART OF THE FINANCIAL STATEMENTS

# 1. Corporate information

Kashee Milk producer company Limited ("the company") was incorporated on November 11,2021, under Chapter XXIA of the Companies Act, 2013.

The Company has started the procurement operations in Varanasi in the state of Uttar Pradesh from 9th of March, 2022. The Company procures milk directly from milk producers through "Milk Pooling Points" (MPP) in villages in and around Varanasi and sells it to Mother Dairy Fruit and Vegetable Private Limited, Dugdh Utpadak Sahkari Sangh Ltd. and other dairies in open market.

#### 2. Significant accounting policies

#### a. Basis of accounting

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013 and the relevant provisions of the Companies Act, 2013. The Financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

#### b. Use of estimates

The preparation of financial statements requires the management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) as of the date of the financial statements and the reported income and expenses during the reporting period. Management believes that the estimates used in the preparation of the financial statements are prudent and reasonable. Actual results could differ from these estimates and the difference between the actual results and the estimates are recognised in the period in which the results are known / materialise.

#### c. Revenue recognition

Sales are recognised, net of returns and trade discounts, on transfer of significant risks and rewards of ownership to the buyers, which generally coincides with the delivery of goods to customers.

The Company is engaged in sale of milk, cattle feed and mineral mixtures.

Revenue from sale of products is recognised, net of sales return and trade discounts, when control of the products has transferred, being when the products are delivered to the customer. Delivery occurs when the products have been shipped or delivered to the specific location as the case may be, the significant risk of loss and reward have been transferred, and either the customer has accepted the products in accordance with the sales contract, or the Company has objective evidence that all criteria for acceptance have been satisfied.

## d. Other Income

Interest income on deposits are recognised on a time proportion basis, admission fee from members are recognised on accrual basis and revenue grant utilised on accrual basis.

#### e. Property, Plant and Equipment and Intangible assets

Fixed assets are carried at cost less accumulated depreciation / amortisation and impairment losses, if any. The cost of fixed assets comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, other incidental expenses and interest on borrowings attributable to acquisition of qualifying fixed assets up to the date the asset is ready for its intended use. Subsequent expenditure on fixed assets after its purchase / completion is capitalised only if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance.

# f. Capital work-in-progress

Assets are not yet ready for their intended use are carried at cost, comprising direct cost, related incidental expenses and attributable interest.

# g. Depreciation and amortization

(i) Depreciation on tangible fixed assets has been provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013 in respect of the following categories of assets. The life of the assets has been assessed as under based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support, etc.:

| Useful Life |
|-------------|
| 4 Years     |
| 10 Years    |
| 3 Years     |
| 10 Years    |
| 3 Years     |
| 1 Years     |
|             |

(ii) The residual value of fixed assets is retained at Rupee 1 each.

# h. Impairment of assets

The carrying values of assets/cash generating units at each balance sheet date are reviewed for impairment if any indication of impairment exists. The following intangible assets are tested for impairment each financial year even if there is no indication that the asset is impaired:

(a) an intangible asset that is not yet available for use; and (b) an intangible asset that is amortised over a period exceeding ten years from the date when the asset is available for use.

If the carrying amount of the assets exceed the estimated recoverable amount, an impairment is recognised for such excess amount. The impairment loss is recognised as an expense in the Statement of Profit and Loss.

The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor.

When there is indication that an impairment loss recognised for an asset in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognised in the Statement of Profit and Loss, to the extent the amount was previously charged to the Statement of Profit and Loss.

#### i. Inventories

Inventories are valued at the lower of cost and the net realisable value after providing for obsolescence and other losses, where considered necessary. Cost is determined using weighted average method. Cost includes all charges incurred in bringing the inventories to their present location and condition.

#### i. Grants

Governments grants and subsidies are recognised when there is reasonable assurance that the Company will comply with the conditions attached to them and the grants/ subsidies will be received. Governments grants related to depreciable property, plant and equipment are treated as deferred grants which is recognised in the statement of Profit and Loss on a systematic and rational basis over the useful life of the asset, i.e. depreciation charged on assets procured from such grants is appropriated from Deferred Grant and recognised in The Statemt of Profit and Loss by way of reduced depreciation charge.

Revenue grants and subsidies are recognised as income.

# k. Employee benefits

#### A Short term

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised during the year when the employees render the service. These benefits include performance incentive and compensated absences which are expected to occur within twelve months after the end of the period in which the employee renders the related service.

The cost of short-term compensated absences is accounted as under:

(a) in case of accumulated compensated absences, when employees render the services that increase their entitlement of future compensated absences; and (b) in case of non-accumulating compensated absences, when the absences occur. The Company has both defined-contribution and defined-benefit plans. Defined benefit plan has some assets in special funds or securities and plan is financed by the Company.

#### i. Defined-contribution plans

The Company's contributions to provident fund are considered as defined contribution plans and are charged as an expense based on the amount of contribution required to be made and when services are rendered by the employees.

# ii. Defined-benefit plans

For defined benefit plans in the form of gratuity fund, the cost of providing benefits is determined using the Projected Unit Credit method, with actuarial valuations being carried out at each balance sheet date. Actuarial gains and losses are recognised in the Statement of Profit and Loss in the period in which they occur. Past service cost is recognised immediately to the extent that the benefits are already vested and otherwise is amortised on a straight-line basis over the average period until the benefits become vested. The retirement benefit obligation recognised in the Balance Sheet represents the present value of the defined benefit obligation as adjusted for unrecognised past service cost, as reduced by the fair value of scheme assets. Any asset resulting from this calculation is limited to past service cost, plus the present value of available refunds and reductions in future contributions to the schemes.

#### iii. Other employee benefits

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related service are recognised as a liability at the present value of the defined benefit obligation as at the balance sheet date.

#### 1. Taxes on income

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961 and other applicable tax laws.

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is highly probable that future economic benefit associated with it will flow to the Company.

Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets are recognised for timing differences of items other than unabsorbed depreciation and carry forward losses only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. However, if there are unabsorbed depreciation and carry forward of losses, deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence, that there will be sufficient future taxable income available to realise the assets. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each balance sheet date for their realisability.

Current and deferred tax relating to items directly recognised in reserves are recognised in reserves and not in the Statement of Profit and Loss.

## m. Provisions and contingencies

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed in the Notes. Contingent assets are not recognised in the financial statements.

#### n. Borrowing costs

Borrowing costs include interest, amortisation of ancillary costs incurred and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Costs in connection with the borrowing of funds to the extent not directly related to the acquisition of qualifying assets are charged to the Statement of Profit and Loss over the tenure of the loan. Borrowing costs, allocated to and utilised for qualifying assets, pertaining to the period from commencement of activities relating to construction / development of the qualifying asset upto the date of capitalisation of such asset are added to the cost of the assets. Capitalisation of borrowing costs is suspended and charged to the Statement of Profit and Loss during extended periods when active development activity on the qualifying assets is interrupted.

#### o. Earnings per share

Basic earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date.

#### p. Leases

Lease arrangements where the risks and rewards incidental to ownership of an asset substantially vest with the lessor are recognised as operating leases. Lease rentals under operating leases are recognised in the Statement of Profit and Loss on a straight-line basis over the lease term.

#### q. Cash flow statement

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

#### r. Material events

Material events occurring after the Balance Sheet date are taken into cognizance.

# s. Cash and cash equivalents (for purposes of cash Flow Statement)

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

#### t. Operating cycle

Based on the nature of products/activities of the Company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

**Date**: 06.08.2024 Chief Executive & Director

#### **EXPLANATORY STATEMENT**

#### Item No. 5

The Nominating Committee has proposed the appointment of directors to the Board. Based on this recommendation, the Board has recommended Smt. Geeta Verma. (DIN: 10743665) to be appointed as Director.

The Board is of the view that the appointment of Smt. Geeta Verma. (DIN: 10743665) as Directors on the Company's Board is desirable and would be beneficial to the Company and hence it recommends the said Resolution set out in Item No.5 for approval by the members of the Company.

None of the Directors/Key Managerial Personnel of the Company/their relatives, except Smt. Geeta Verma. (DIN: 10743665) herself is in any way concerned or interested in the said resolution. The Board recommends the adoption of the resolution as an ordinary resolution.

#### Item No. 6

The Nominating Committee has proposed the appointment of directors to the Board. Based on this recommendation, the Board has recommended Smt. Manju Devi (DIN: 10743357) to be appointed as Director.

The Board is of the view that the appointment of Smt. Manju Devi.: (DIN: 10743357) as Directors on the Company's Board is desirable and would be beneficial to the Company and hence it recommends the said Resolution set out in Item No.6 for approval by the members of the Company.

None of the Directors/Key Managerial Personnel of the Company/their relatives, except Smt. Manju Devi.: ((DIN: 10743357) herself is in any way concerned or interested in the said resolution. The Board recommends the adoption of the resolution as an ordinary resolution.

#### Item No. 7:

The Nominating Committee has proposed the appointment of directors to the Board. Based on this recommendation, the Board has recommended Smt. Poonam Devi (DIN: 10743330), to be appointed as Director.

The Board is of the view that the appointment of Smt. Poonam Devi: (DIN: 10743330), as Directors on the Company's Board is desirable and would be beneficial to the Company and hence it recommends the said Resolution set out in Item No.7 for approval by the members of the Company.

None of the Directors/Key Managerial Personnel of the Company/their relatives, except Smt. Poonam Devi (DIN:10743330), herself is in any way concerned or interested in the said resolution. The Board recommends the adoption of the resolution as an ordinary resolution.

#### Item No. 8

The Nominating Committee has proposed the appointment of directors to the Board. Based on this recommendation, the Board has recommended Smt. Rina Devi (DIN: 10743346) to be appointed as Director.

The Board is of the view that the appointment of Smt. Reena Devi. (DIN: 10743346) as Directors on the Company's Board is desirable and would be beneficial to the Company and hence it recommends the said Resolution set out in Item No.8 for approval by the members of the Company.

None of the Directors/Key Managerial Personnel of the Company/their relatives, except Smt. Reena Devi. (DIN: 10743346) herself is in any way concerned or interested in the said resolution. The Board recommends the adoption of the resolution as an ordinary resolution.

#### Item No. 10

At Present, the Authorized Capital of the Company is Rs. Five Crore, with its issued, subscribed, and paid-up share capital being Rs. 37563800/-. Due to business expansion, the Company needs to increase its paid-up share capital, which is nearing the maximum authorized limit. Therefore, it is deemed appropriate to raise the Authorized Share Capital to Rs. 10 Crore. Consequently, the Memorandum of Association will be amended accordingly, as outlined in the resolution at Item No. 10 of the accompanying notice.

The Board in its 25th Board meeting held on 6th of August 2024 has with the requisite majority approved the proposal of amending the capital clause of Memorandum of Association of the Company. Pursuant to the provisions of the Companies Act, 2013, approval of the members shall be required for amending the Articles of Association of the Company. Therefore, the proposed alterations are recommended by the Board.

None of the Directors/Officers of the Company or their relatives are, in any way, interested or concerned in the resolution.

The Board of Directors recommends the resolution set out in Item no.10 of the accompanying Notice for the approval of the members.

#### Item No. 11

The Board of Directors at its first meeting held on 21.11.2021 has noted the Articles of Association of the Company.

As per the provisions of article 9 (Board of Directors) of the Company, members need to be maintaining certain qualification criteria like belonging to a class of membership for

becoming eligible to be elected to the Board of the Company. To ensure inclusive governance, it is expected that a well distributed representation is given to the membership of entire area of operation. Currently, the Company has membership spread over 700 villages. It is envisaged that during the current year, the coverage of the villages will expand to 300 more villages which means that the membership will spread over all these 1000 villages. It will be fair to give opportunities to the members of the additionally covered 300 villages to represent themselves on the Board of the Company at the earliest possible time. But as per the provisions of the AOA of the Company (article 9.5), members need to be maintaining certain qualification criteria like belonging to a class of membership for becoming eligible to be elected to the Board of the Company. To earn a class of membership, any member has to be pouring milk for certain days and quantity to fulfil the required class criteria. This will be difficult for the members covered under the newly organized 300 MPPs to earn class-based requirements for next three years. Accordingly, it is being proposed to defer class-based representation on the Board by altering the provision of the articles as given below;

In terms of the applicable statutory provisions, as enumerated in the body of resolution, the Company is required to seek approval of members for alteration of Clause of the Article of Association of the Company.

## The existing Article 9.5 i. be altered to read as under;

The number of positions on the Board representing each class of members, to the extent possible, shall be based on patronage of the respective class. However, this requirement stands waived off till the 7th Annual General Meeting of the Company.

#### The existing Article 9.6 ii. be altered to read as under;

Any vacancy on the Board to be filled at the Annual General Meeting shall be based on the recommendation of the Nominating Committee appointed by the Board. However, this provision shall be in vogue after 7th AGM of the Company and till such time the vacant position shall be filled based on the recommendation of the Board of the Company.

# The existing Article 9.7 be altered to read as under;

To fill the vacant position(s) on the Board or otherwise, the Board may co-opt Additional Director(s) or Director to fill the casual vacancy provided that the member identified to fill the casual vacancy has fulfilled the membership continuation criteria at least for two preceding financial years and the Additional Director or Director so appointed shall hold office till the next Annual General

Meeting of the Company or for a shorter period if the Board decides so at the time of appointment. However, such a person cannot be co-opted to fill the vacant position on the Board in two subsequent years.

Further, the requirement of 'membership continuation criteria at least for two preceding financial years' shall be effective from the conclusion of 7th Annual General Meeting.

The Board in its 25th Board meeting held on 6th of August 2024 has with the requisite majority as per Section 378 I of the Companies Act, 2013, approved the proposal of amending the Articles of Association of the Company. Pursuant to the provisions of the Companies Act, 2013, approval of the members by way of special resolution shall be required for amending the Articles of Association of the Company. Therefore, the proposed alterations detailed in the special resolution are recommended by the Board for the

amendment/alteration of certain existing provisions of the Articles of Association of the Company.

The Board of Directors recommends the Special Resolution set out in Item No.11 of the accompanying notice for the approval of the members.

None of the Directors/Officers of the Company or their relatives are, in any way, interested or concerned in the resolution except as the member of the Company.

#### Item No. 13

The Company was being provided support by NDS since inception covering entire gamut of services whose mandate is to promote producer owned institutions in the areas of Dairy. NDS helped the Company in educating Company's Directors on the matters of governance, institution building, financial and operational matters. In order to meet the challenges of rapidly changing commercial and economic scene in India in dairy industry, the Company requires a Chief Executive ("CE") having expertise in handling various stages of the Company's growth and development. To select talented professionals willing to work as CE for farmer-owned rural start-ups, the Company has entered into an arrangement with NDS whereunder NDS will second an employee of NDS for his / her appointment by the Board as the CE of the Company. This will ensure stability and continuity in appointment of a CE to manage the affairs of the Company. The Board at its  $22^{nd}$  meeting held on  $11^{th}$  May 2024 has given approval to enter into the secondment arrangement with NDS and the Chairman was authorized to execute the secondment arrangement.

One of the principal terms of the secondment agreement with NDS is that the arrangement also has to have shareholders' approval at the next general meeting of the Company. The salient features of the agreement are as follows:

Parties Involved: NDDB Dairy Services, a not-for-profit company registered in New Delhi, India and Kashee MPCL.

The Agreement becomes effective from the date of the execution and is subject to approval by the Company's members in a general meeting.

The Company shall have complete control and supervision over the CE's work and the CE shall follow the Company's work rules and policies during his tenure as CE of the Company.

In consideration of the services of CE provided by NDS the Company shall pay to NDS the fees to cover all employee-related expenses and salary paid by NDS to the CE.

Either of the parties may terminate this Agreement by providing a written notice. However, the MPC would require prior approval of the members of the Company in the General Meeting if it wishes to terminate the agreement.

The Company will indemnify NDS against any claims or losses arising from the Assignee's actions during the secondment.

A copy of the draft/executed agreement is available for inspection upto the date of the general meeting at the registered office of Kashee Milk Producer Company located at 2nd floor S-2/1-77, Tagore Town extension, Panchkoshi Road, Varanasi - 221002
